ABSTRACT

This brochure provides educators, statisticians, the press, the public, and other interested parties with selected facts and figures about Alaska public schools spanning several years. A series of 29 tables presents information about: (1) numbers of schools and districts; (2) average daily membership; (3) numbers of graduates and general educational development diplomas; (4) numbers of staff; (5) average classroom teacher salaries; (6) pupil/teacher ratios; (7) vocational and technical enrollment; (8) scores on the Scholastic Aptitude Test and the American College Test; (9) college attendance plans of graduates; (10) numbers of bilingual, handicapped, gifted/talented, and migrant students; (11) school revenues; (12) school expenditures; (13) community education; (14) costs of boarding home programs and transportation; (15) details on school food programs; (16) school district areas; and (17) information about state and district administrators. Although some of the data range from 1972-73 through 1990-91, most of the data are provided from the mid-70s and the mid-80s through 1991. (SLD)
